MEMORANDUM

SUBJECT: Request for Use of ISCST and ISCLT Version 6.2 in
Formosa Plastics PSD Application
FROM: *Dean A. Wilson*
Dean A. Wilson
Techniques Evaluation Section, SRAB (MD-14)
TO: James W. Yarbrough, Air Modeling Contact
Region VI (6T-AN)

In response to your request, the Model Clearinghouse has reviewed your November 19, 1988, draft letter to Formosa Plastics where you indicate that the Company may use ISC UNAMAP 6, Change 2 for its PSD modeling, since this modeling is to be essentially completed by December 10. We agree with your position and with your draft letter; you have appropriately caveated the approval to use Change 2.

If you have any further questions, please contact me.
