README for 2020NEI Fires Draft Version data/summaries/etc

This directory contains the following:

- Fireloc files with emissions/acres burned/other data for each fire for each state, a National fireloc and a tribal fireloc (tribal lands only fires)
- 2020_ag_burn_Oct07_2021_draft.xlsx: draft version of ag burns at daily time scale
- 2020draftNEI_Wildland_and_ag_fires_memo.pdf: brief tech memo on draft version
- Fire summaries in Excel format for:
  - State/County By SCC
  - County-month
  - Other QA summaries
- FCCS cross-reference file to help identify fuels being consumed in fireloc files
- SMOKE-formatted FF10 files for emissions modeling purposes are located in the SMOKE_FF10 directory

Send any questions to Vukovich.Jeffrey@epa.gov.
