

**Final Agenda**  
**Workshop on PCBs in the Lower Columbia and Willamette Rivers**  
**July 30, 2009**  
**Port of Portland, Commission Room, 121 NW Everett**  
**Portland, OR**

**Purpose of Workshop:**

- Exchange information on PCB characterization
- Exchange information on current and new monitoring methods.
- Exchange information on future and proposed PCB reduction efforts
- Follow-up on focus on PCBs in the State of the River Report.

**8:30 am**      **Welcome, Mary Lou Soscia, EPA**

**What Do We Know About PCBs? and Why do we care? (30 minutes)**

Toxic Substances Control Act - Overview of PCB regulations and enforcement,  
traditional and emerging sources, Scott Downey, EPA  
Atmospheric Deposition, Bruce Hope, Oregon DEQ  
Health Risks of PCBs, Dave Farrer. Oregon Department of Human Services

**What Are We Learning in Portland Harbor? (30 minutes)**

Sediments, Surface Water, Stormwater, Fish Tissue, Watershed conditions, Eric  
Blischke EPA

10:15 – 10:30 – Break

**Columbia Basin Monitoring Panel – (60 minutes)** Facilitated by Lorraine Edmond, EPA

Dale Norton, Washington Department of Ecology  
Willamette and Columbia PCB Study, Agnes Lut and Jim Coyle, Oregon DEQ  
Lower Columbia River Monitoring, Jennifer Morace, USGS; Krista Jones, Lower  
Columbia River Estuary Partnership; Lyndal Johnson, NOAA Science Center  
Otter and Osprey Eggs, Robert Grove, USGS

**12:00 – 1:00 Lunch**

**What has been done at the Corps Hydroelectric Facilities? - (30 minutes)**

Paul Ocker, U.S. Army Corps of Engineers

**Two Case Studies (20 minutes)** Bruce Long, EPA Region 10

**Stormwater Tracking – Urban Areas (20 minutes)** Dawn Sanders, City of Portland BES

2:30 – 2:45 – Break

**Oregon Toxics Reduction Strategy (20 minutes)** Kevin Masterson, Oregon DEQ

**Industrial and Municipal Success Stories (30 minutes)**

Van Alcoa, Paul Skyllingstad, WA DOE  
Columbia Slough, a watershed approach, Nancy Hendrickson, City of Portland  
BES  
Bonneville Transmission Removal, Speaker invited

**Panel Discussion: Knowing what we know now, what should we do next? (45 minutes)** Facilitated by Andrew Kolosseus WA DOE

Invited Panelists: EPA; Eric Blischke, Portland Harbor; Dawn Sanders, City of  
Portland; WA DOE

**4:30 pm**      **Adjourn**
